

**TONA<sup>®</sup>**  
SMART TOILET

TONA INTELLIGENT TOILET

TONA is the pioneer of intelligent toilet innovation and quality, was well known in global sanitary market with its incomparable modern minimalist style and exquisite workmanship.

With its unique intelligence technology, TONA build up extraordinary standard in both functional and sensory, giving unbelievable clean and healthy experience, bring extremely comfortable toilet experience and quality life.

### IMPORTANT AUTHENTICATION

INTELLIGENCE LEADS THE FUTURE  
WARM AS YOU CAN SEE

---

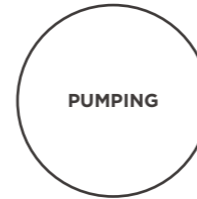

## — SUPER SMOOTH SHIELD —

Preventing bacteria and viruses to stuck to toilet wall

## THREE CORE FUNCTION

Pumping out bacteria and viruses when flush toilet;  
Active carbon adsorbs bacteria and odor.

Double layer photocatalyst filter screen  
First layer –  $\text{TiO}_2$  (filter)  
Second layer –  $\text{WO}_3$  (decomposing)

After Multi layer purification,  
bacteria and viruses are decomposed to be  $\text{H}_2\text{O}$ ,  $\text{CO}_2$

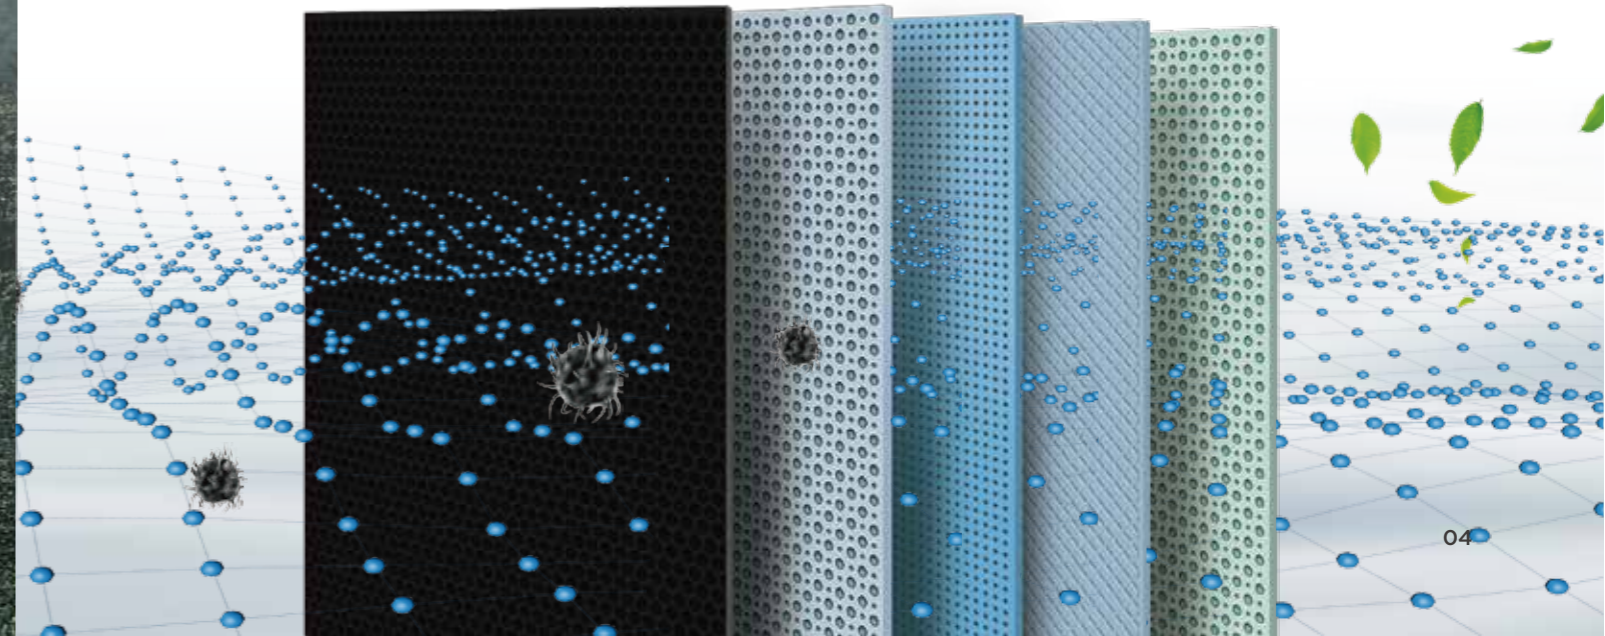

Active carbon

— **FOAM SHIELD** —

Brand-new experience of clean and healthy

**FOUR CORE FUNCTION:**

**SUPER SPLASH PREVENTION**

Splashed water is firmly shielded by fine foam layer; No worry about the water would splash to you hip.

**SUPER ANTI-STICKING PERFORMANCE**

With new formula foam agent; Strong lubrication ability prevents dirt stuck to toilet wall; Efficient cleaning and water-saving.

**SUPER DEODORANT ABILITY**

Special foam agent with natural spices; Excrement is shielded by fine foam layer, without bad smell in toilet.

**SUPER BACTERIOSTASIS**

Adding disinfectant to the special foam agent; Prevent bacteria and viruses from spreading to air.

SUPER SMOOTH SHIELD

**W** WaterMack certification  
**CB** CB certification  
**CE** CE certification

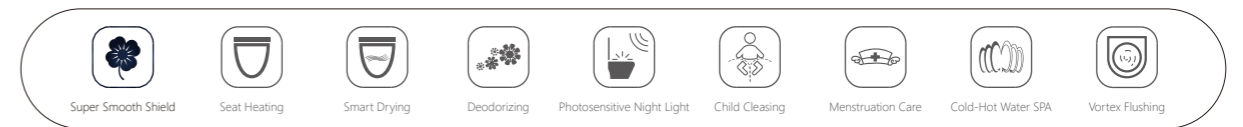

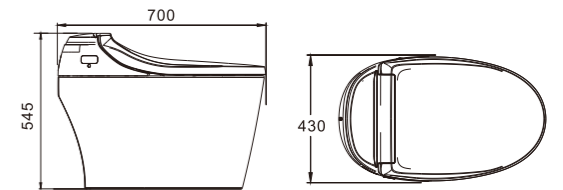

Size: 700x430x545mm

Flush: ≤5L

Water Pressure: 0.12MPa-0.75MPa, Flow ≥20L/min

Model:  
**T1001**

SUPER SMOOTH SHIELD

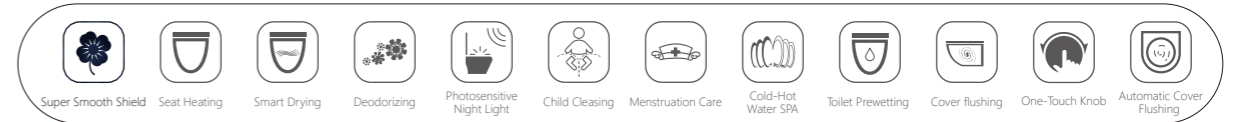

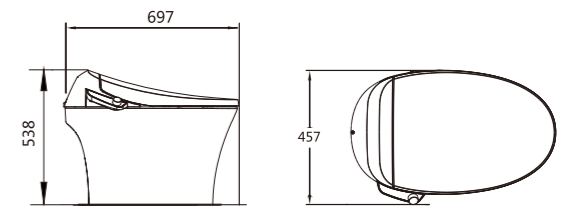

Size: 697x457x538mm

Flush: ≤5L

Water Pressure: 0.12MPa-0.75MPa, Flow ≥20L/min

Model:  
**T1022**

FOAM SHIELD

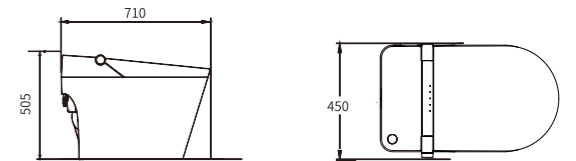

Size:710x450x505mm

Flush:≤5L

Water Pressure:0.12MPa-0.75MPa

Model:  
**T1081**

Foam shield

Seat Heating

Smart Drying

Deodorizing

Photosensitive Night Light

Child Cleansing

Menstruation Care

Cold-Hot Water SPA

One-Touch Knob

Mute Flush

Model:  
**T737**

Size:510x465x148mm  
Water Pressure:0.07MPa-0.75MPa

-   
Super Smooth Shield
-   
Seat Heating
-   
Smart Drying
-   
Deodorizing
-
